

POSTER INSTRUCTIONS

When preparing your poster (on the basis of a sent abstract), then you should follow the rules displayed below:

1. **Poster size - B1 (70x100cm).**
2. **Poster orientation - Portrait.**
3. The poster does not necessarily have to fill the entire working area.
4. **Text should be readable from five feet away.**
Make sure the font size is large enough.

Some additional guidelines:

- Normal text should be no smaller than 20 pt.
- Text in plots and figures should also be at least 20 pt.
- 1000 words is a good poster length
- Use section headings to orient the viewer
- Use serif fonts for text (e.g. Times) and sans-serif fonts for titles (e.g. Helvetica, Arial) and headings
